Simply put, the Mercer County Fair needs your help!

The Board of Directors of the Mercer County Ag Society would like to invite you to be a sponsor to guarantee the success of our county fair.

The board would like your help to fund evening grandstand entertainment. Shows are expensive and your sponsorship will allow us to keep the entertainment exciting and appealing. Also we would like to be able to offer entertainment along the midway for the youngsters.

We want to continue our program of improvements to the historically significant Mercer County Fairgrounds. They are in a good state of repair but each year projects are undertaken to update the grounds. Some projects have been quite expensive.

Thus, we need your help!

We invite your help to fund

- Grandstand and midway entertainment
- Fairground improvement projects
- Improve fairground roadways
- Maintaining buildings **CHANGED**
- **Handicap restrooms**
